Pre-Sessional English Language (PSEL) courses at Writtle University College

Our English courses are designed to build your confidence and skills so you can successfully start your studies in UK Higher Education. You will need to pass your PSEL course in order to continue onto your main programme of study. Our highly qualified and dedicated teaching staff are experienced in raising standards of English with students from many different nations.

Our courses offer you:

- English language skills in preparation for academic studies in the UK
- Introduction to UK teaching styles
- Use of University College computing, library and sport facilities
- Visits programme
- Orientation to living in the UK and British culture and history
- A chance to make friends before you commence your main course
- Small class sizes so you will receive a high level of support

HOW TO FIND US

Writtle University College is located close to the charming village of Writtle and 4km from Chelmsford. London is just 35 minutes away by train from Chelmsford and conveniently located for all London international airports.

VISA REQUIREMENTS

If you are studying a PSEL course to meet a offer condition for your main course, you can apply for a Tier 4 (general) visa for PSEL. However, this may not cover your main course. This is also the case for all students whose main course is below NQF Level 6. You will be granted a visa until the end of PSEL plus one month.
