

Higher Education Scholarships & Bursaries

2019/20 Academic Year

NFU Mutual Agricultural Undergraduate Award

The Award

The Award is a student bursary scheme that will award £3,000 to four students to help support their tuition, living or work experience costs whilst studying to advance their career. NFU Mutual, the UK's leading rural insurer, has launched the Award to demonstrate our commitment to young people who have a passion for UK agriculture and want to enhance their skills and knowledge.

If you are successful in receiving the Award, you will be asked to talk about what you have learnt about the industry and its opportunities during a visit to NFU Mutual Head Office. This will help demonstrate how the Award has helped contribute to your learning.

Who can apply?

To apply for the NFU Mutual Agricultural Undergraduate Award you need to meet the following criteria:

- You have been accepted (or provisionally accepted) on to an undergraduate agricultural course in the UK commencing autumn 2018
- Your course features an element of business management. This could involve modules such as farm management and rural marketing
- You have experience supporting your local farming community

How can I apply?

Prospective undergraduate students who think they may be eligible to apply for the Award in 2019 can do so by submitting an online application form available on the website.

If you have any questions about the Award please email:
