This form is to be used by new Postgraduate Writtle University College home students who have accepted a place and wish to be considered for the Writtle University College Old Students Association Scholarship, Academic Year 2021/22.

In 2021/22 Writtle University College will award two students a £1,000 tuition fee reduction in their Taught Master's programme. This can either be on a full-time or part-time basis.

Eligibility criteria:

To be considered for a Writtle University College Old Students Association Scholarship award, students must apply by completing a written statement of between 500 – 800 words detailing the value the applicant expects to gain from study on the Master's programme and the way in which they anticipate using the experience after graduation to further their chosen career. Any applicant who defers entry will have to submit a new application for the academic year their studies will commence. Current Writtle University College Postgraduate students are not eligible to apply. The value of the scholarship will be deducted from the tuition fee invoice. It will be a condition of the scholarship that the successful applicant agrees to provide a student profile detailing their experience on the programme to be used in publications for the purpose of marketing Writtle College and/or inclusion in the "University College Alumni Association" publication.

Students may only claim one scholarship. Not in conjunction with any other promotion. Terms and conditions apply.
